6. Event, Category and Quota

- 6.1 Competition comprises Foil, Epee and Sabre events **while Epee and Sabre as demonstration events.**
- 6.2 Individual events include Foil's Boys and Girls A Grade, B Grade and C Grade (6 events);
Epee and Sabre's Boy and Girls (4 events)
A Grade : Holders of A Grade Student Athlete Registration Card
B Grade : Holders of B Grade Student Athlete Registration Card
C Grade : Holders of C Grade Student Athlete Registration Card
- 6.3 Fencers can only participate in one weapon competition, i.e. either in Foil, Epee or Sabre competition.
- 6.4 **Each school is allowed to enter not more than 3 fencers in an individual event.**

7. Competition Attire

Fencers must be in full fencing equipment, including fencing uniform (jacket, under plastron, breeches, stocking and shoes) and other necessary equipment (mask, conductive jacket, weapons, body wires, mask wires and glove). No fencing equipment will be provided by the organizer. The referee shall / might disqualify any fencer who does not comply with the equipment rules. In case of any disputes, the decision of the Chief Referee shall be final. Key Points on Competition Equipment Requirements are listed below:

7.1 Fencing Clothing

Includes a jacket, under plastron, and breeches. The clothing should be in good condition, undamaged, and must meet the length requirements specified in the regulations. It must comply with international standard EN13567:2002, with a minimum resistance to perforation by a force of at least 350 Newtons. All equipment must be certified by the CFA, CFA Pro or FIE (with an official certification label on the clothing) or approved by the FAHKC. Please refer to (Note 1) for details.

Participants must wear a fencing jacket appropriate for the sword-arm of the fencer. The fastenings (typically zippers) must be protected with a sewn-over flap that covers the fastening in the direction of the weapon arm — from right to left for right-handed fencers, and from left to right for left-handed ones.

In addition, fencers are **not required** to have their surname or initials printed in Chinese or English on the back of their fencing jacket or conductive jacket.

7.2 Mask and Mask Wire

All fencers in each event must prepare mask of specific weapon, which are not damaged and in good condition; the mask must contain two different safety systems at the rear of the mask, with the two ends of the straps of the systems firmly affixed to the two sides of the mask, size is fit which will not tilt after wearing, and It must comply with international standard EN13567:2002, with a minimum resistance to perforation by a force of at least 350 Newtons. All equipment must be certified by the CFA, CFA Pro or FIE (with an official certification label on the mask) or approved by the FAHKC. Please refer to (Note 1) for details.

Coiled mask wire is not allowed for Foil and Sabre events. Fencers must bring at least two functioning mask wires for competition, to allow for immediate replacement in case of damage.

7.3 Conductive Jacket

Fencers competing in Foil and Sabre events must wear a conductive jacket. And must wear an electric jacket appropriate for the sword-arm of the fencer. The conductive jacket must be complete, undamaged, in good condition, have reliable electrical conductivity, meet the competition's length requirements, and fully cover the valid target area of the fencer.

All fencers are additionally **prohibited** from using conductive jackets manufactured by the brand YiPing.

7.4 Glove

Glove must be worn on the sword-arm. Sabre fencer must wear sabre glove or conductive glove's cuff for the sabre. The direction of the glove's cuff must comply with the regulations and rules. Please refer to (Note 1) for details.

7.5 Shoes

Shoes must be non-marking sneakers or fencing shoes.

7.6 Socks

Fencers must wear socks which cover the legs right up to the knees, the socks must be held up in such a way that they cannot fall. Socks in black, either entirely or primarily black, are not allowed.

7.7 Weapon

All fencers must prepare at least two functioning weapons for the replacement in case of malfunction.

Fencers in A&B Grade can use weapon of size 5 (adult size) or below, while C Grade foil fencers must use weapon of size 0 (children's size).

For épée competitors, the socket inside the guard may contain one or two separate holes, allowing wires encased in insulating tubing to pass through and connect to the socket.

7.8 Body Wire

Fencers must prepare at least two functioning body wires for the matches, and to replace immediately in case of malfunction.

The sockets at the end of the body wire do not need to be made of transparent material.

7.9 Chest Protector

All fencers are required to wear at least a plastic chest protector (hard chest protector) during matches. Fencers may choose whether or not to use an additional soft chest protector padding.

7.10 Hair style

Hair must be tucked / tied into the mask before the match can be played, or else the fencer will be given a yellow card warning.

(Note 1) Please see the links for details of competition equipment. For detailed information on competition equipment, please refer to the official website of the FAHKC. All participants are also encouraged to visit the site regularly to stay updated on the latest equipment regulations and related announcements.
