- 11.4 Lost and found service is available during competition at Secretariat. Lost property will then be transferred to the Competition Venue after end of the Competition.
- 11.5 The school must submit the substitution of team event application no later than 3:00 p.m. two working days before the competition day supported by registered doctor's certificate. Late application will not be entertained.
- 11.6 Entry fee receipts and athletes certificates will send to schools by post within one month after completion of last date of competition.
- Due to disciplinary and safety reasons, schools are required to appoint a staff member / Team Manager to accompany their students throughout the competition. If the appointed person is not a staff member, schools are required to complete a registration for such persons. Application must be submitted online at least four working days prior to the Team Manager's assumption of duty. (star.hkssf.org.hk)
- 11.8 Due to limited space at the venue, in order to ensure the smooth progress of the competition, it is recommended that the number of companion for a fencer should limit to 1 person (excluding the coach/or the person mentioned in 11.7 above); if the venue is overcrowded, the HKSSF will implement crowd control to limit the number of people entering the competition venue.
- 11.9 If typhoon signal No. 3 or above, red or black rainstorm warning signal is hoisted by the Observatory, the matches on that day will be cancelled / Rescheduled (Schools will not be notified individually of rescheduled information, please pay attention to the announcement on the HKSSF website, if you have any questions, please call HKSSF). For details, please refer to Point 9 of the Competition Rules (page 11) of the Hong Kong Primary School Sports Competition Handbook 2023-2024.
- 11.10 The Organiser has the right to make any necessary changes and its decision will be final.

<sup>\*</sup> Fencers must show valid HKSSF card to officials and referees during reporting and roll call.
